# Columns & Porticos

## What our customers say:

We always appreciate feedback from our happy customers who are pleased with our products.

*“We love our new Victorian portico - the smooth columns look great on our house”*  
—**Karen Jackson**

## Why buy columns & porticos?

If you are looking to create a stunning entrance to your home, then adding a Portico, consisting of columns and soffit is the way to do it.

The columns and soffits are manufactured using GRP (commonly known as fibreglass). GRP is lightweight making it easy to handle but very strong.

For more information on our full range of columns & porticos or if would prefer to place your order over the phone please call us on **01536 446393**.

# Cantilever Canopy

## Creative covers!

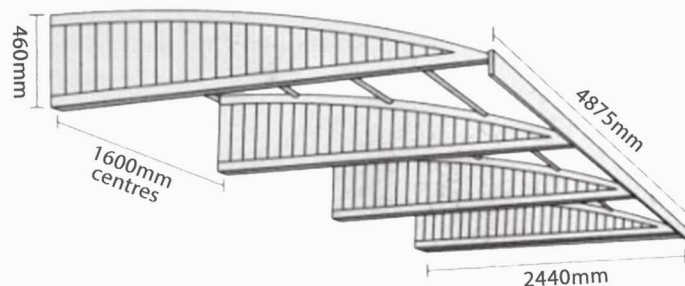

The Denver Cantilever Canopy is ideal for use as a carport, patio canopy or walkway.

*"We are so happy with our new carport!  
We wanted a canopy without posts so this  
was perfect" — Chris Haynes*

## Self-supported structure

The clever design of our Denver Cantilever Canopy means the roof is self-supporting with attractive beams attached to the wall of the house taking the weight of the roof and any snow or debris that lands on it.

The Denver Cantilever Canopy can be supplied in any length and there are two different sized beams to choose from. If you want a walkway to go along the length of your home or a canopy wide enough to cover your car then we can meet your needs.

# Verandas

Our new Homestyle Verandas provide a luxurious outdoor space for you to enjoy all year round

*“Our new veranda is perfect to cover our patio dining table which we use all summer” —Nina Harrison*

## Homestyle Veranda

### Luxurious outdoor spaces

### Style your home!

Our stunning new Homestyle Veranda is available in a range of sizes and colours. You can choose from a choice of glass or polycarbonate for the roof. To find out more about our verandas please call us on **01536 446393**.

### Exquisite ‘Garden Rooms’

Verandas are “Garden Rooms” that provide you with more space to enjoy your garden. When fully enclosed they can be used all year round and are a cost-effective alternative to building an extension.

Verandas add value and prestige to your home and allow you to get more use from your outdoor space.
